

# Build Your Home Store with the Q

It's like having a personal grocery store—in your own home! With a Home Store, you can have everything you need to provide for your family at your fingertips. It will eliminate those inconvenient trips to the grocery store and unnecessary fast food runs. And there's no easier way to build and maintain your Home Store than with the Q.

This revolutionary online program brings food and supplies right to your door. It's completely customizable—you decide the budget, and you choose what you want delivered. It's that easy.

“Building my Home Store with the Q helps me save time, spend less, and eat better every day.”

—Amber Pearce, Thrive Life Consultant

# Start Your Home Store in 3 Simple Steps

## 1

### Add the foods you want

- Fill your Q by adding your favorite THRIVE foods or by selecting the recipes you use most.
- The Q will organize your foods into customizable monthly shipments.

## 2

### Set a monthly budget

- Choose the amount you want to spend each month to build your Home Store.
- No need to spend more money; simply reallocate part of your current monthly food budget to your Q.

## 3

### Ship orders to your home

- THRIVE foods are shipped to your doorstep on the date you choose.
- Save time and money by avoiding unnecessary trips to the grocery store.
